The original swingtop bottle brewed and bottled in Holland.

SAM SMITHS NUT BROWN ALE (ABV 5.0%) 550ml **£2.30**

Voted as the best beer of the year 2006 in Germany, the brewery is based in Augsburg, Bavaria. You may have heard of the German law of Beer Purity of 1516 - not many people will appreciate that this was based on the Augsburg brewing regulations of 1156.
